Sir:

The final Office Action dated May 21, 2002 has been received and its contents carefully studied. Reconsideration of the rejections of the claims is respectfully requested in view of the following amendments and remarks. The claims are amended merely so that they say "non-numerically descriptive" instead of "textual." Claim 19 already says this, and therefore no new issues are introduced by this slight amendment. Of course, claim 19 is not amended.

I hereby certify that this correspondence is being deposited today, July 22, 2002, with the United States Postal Service with sufficient postage as first-class mail in an envelope addressed to: Assistant Commissioner for Patents, U.S. Patent and Trademark Office, Washington DC 20231.
